

SAINT PHILIP LENTEN ORTHODOX LIFE SERIES, 2017

“PRACTICING WHAT WE PREACH”

Lent is a time of hope, renewal, reflection and learning. It is certainly a powerful journey we share! To help us along our individual and mutual paths, we will welcome 3 excellent guest presenters to Saint Philip in March. They will worship alongside us during PreSanctified Liturgy and then share thoughts on “Practicing What We Preach”: How we can actualize what we profess within our divine services at home, through our relationships and within the greater community.

March 1: Dr. Philip Mamalakis

March 15: Fr. Nicholas Apostola

March 29: Dr. John Chirban

Schedule for each event date:

6 pm: PreSanctified Liturgy
